WINTER HELPERS FOR 2014

Mittagundi is an outdoor education centre established with the belief that young people, mountains, purposeful work and challenges are natural partners. Mittagundi is situated on a 400 acre property near the old gold mining town of Glen Valley, on the Upper Mitta Mitta River, north of Omeo, VIC.

The main purpose of Mittagundi is to provide programs for young people (14 to 17) to explore Victoria’s high country and themselves. They spend time xc skiing and helping to run a pioneer style farm.

The atmosphere at Mittagundi is simple, honest and happy. There are no watches and no timetables. Instead there is an opportunity for young people to live and work together in an environment where people matter more than anything else.

WHAT ARE WE LOOKING FOR?

We are looking for keen people for help during our very busy winter period. Our courses are 6, 7 and 9 days involving 3 day trips in the snow as well as time on the farm at Mittagundi.

There is an array of ways people can help at Mittagundi during winter. Some volunteer helpers will go out on ski trips, some may be helping out at the base around Mittagundi milking cows, baking bread, chopping fire wood and so on.

It's a great way to be involved in a quality Outdoor Education program focusing on community, lifestyle and personal values. A great place to stay in the Mountains and a unique experience helping young people to learn and grow.

No prior experience is necessary, just a spirit of adventure and an open mind.
All volunteers are required to complete a Working with Children Check and also have Ambulance Cover.
